

CitySports Performance Academy

Football

In an era where sports excellence and competitive spirit reign, nurturing young talent has become a crucial aspect of athletic development.

Recognizing the need for comprehensive training and support, CitySports has launched its groundbreaking Football Performance Academy Program comprised of Residency and Non-Residency, designed to shape the future of aspiring **male** athletes **aged 16 to 22**, this program offers an unparalleled opportunity to unlock their potential and lay a solid foundation for a successful sporting career.

Competitions & Exposure

CitySports carefully builds competition programs with highly regarded partner clubs, providing players with at least **25 competitive games** and participation in 2 European soccer tournaments in a calendar year.

Students enrolled will be eligible to join CitySports Football Club, the CitySports Africa professional football club competing at the National League level.

Benefits

- Academic Support in balancing sports and academics.
